

WE UNDERSTAND that building sites, applications and campaigns that truly resonate with customers is part art, part science.

Our digital marketing experts bridge design, technology and psychology — translating our clients' business goals into beautiful and valuable solutions.

## ABOUT HIREWELL

- Since 2001, Hirewell has partnered with some of the country's best technology and interactive firms, creating strategic partnerships and helping advance the tech and digital communities.
- Our expertise and footprint in the marketplace enables us to quickly find the most innovative talent for our clients. Our pricing and solutions are unique and custom-tailored to our clients' hiring needs.

**QUITE SIMPLY, WE ARE TALENT ACQUISITION EXPERTS.**

## DIGITAL/MARKETING RECRUITING

- A dedicated Search Consultant, providing support beyond the hiring process
- Using proven and creative search techniques, we can quickly source permanent, contract or contract-to-hire candidates
- All candidate sourcing, screening and interviewing is conducted by your Hirewell partner, with regular feedback
